How does it work? Just Like Lixso!
Fill the grid entirely with the **4 types of puzzle pieces,** respecting the **colors on the grid**. Grey squares could be any piece. **Identical pieces don't touch!**

Comment ça marche? Juste Comme Lixso!
Remplissez la grille avec les **4 types de pieces de puzzle,** en respectant les **cases en couleurs**. Cases grises peuvent etre chacune des pieces. **Les pieces identiques ne peuvent pas se toucher**.

Hoe werkt het? Net zoals Lixso!
Vul het rooster aan met de **4 soorten puzzelstukken,** volgens de gekleurde vakjes. Grijze vakjes kunnen elk stuk zijn. **Identieke puzzelstukken mogen niet raken!**
